

Hello EPDL Team Sponsors:

We thank you for taking interest in the local dart league and sponsoring a team(s). This helps us bring attention to the community about the game of darts while also bringing your business to the attention of dart throwers that may be new and unfamiliar to this area.

The current season is expected to end late December and we would like to begin planning our banquet for Tuesday January 14<sup>th</sup> (depending on season finish date and any possible weather issues)! As we get closer to the end of the season we will determine the date and inform the team captains so they can let you know. Please fill out the form below accordingly & return to your team captain for them to submit with the 10/29/24 scoresheets.

This letter is also to let every sponsor (Bar) know the requirements for hosting a banquet and gives an opportunity to place their "Bid" to host the current/upcoming banquet.

First, the Sponsor must have at least 4 playable dart boards with sufficient lighting, (or room to accommodate possible "Temporary boards and lighting.")

Second, the Sponsor must have seating for approximately 85 dart shooters and guests.

Third, if a sponsor hosts a banquet, they are not eligible to host the next consecutive banquet, but they are able to host another banquet after that to provide fair rotation opportunities to all sponsors.

The bid consists of food you are willing to provide buffet style, listing a main course, side items, desserts and drinks (both alcoholic and non-alcoholic) to feed the 85 shooters and guests for the \$1,000.00 bid. Your bid will be sent to the team captains to do a blind vote on the menus presented by the sponsors. The voting will take place with the winning bar being notified immediately. At the banquet we have a Luck of the Draw Doubles Tournament for all shooters and guests. This tournament starts after the awards presentation and dinner (around 8PM, ending around midnight).

If you have questions or concerns please contact the team captain that presented you this letter or Eastern Panhandle Dart League (EPDL) Board Of Directors (BOD) via E-mail at [epdl.bod.wv@gmail.com](mailto:epdl.bod.wv@gmail.com) .
