

## REGION OF HALTON DART LEAGUE

### **Captain's Meeting minutes**

**Date: April 10 2025**

**Location: Tikka Tandoori**

#### **Intro and review of prior business:**

Financial Update – we are sitting at \$9,201

Review of prior minutes completed.

CBC radio discussion, generally the group didn't mind if the CBC came to do interviews

#### **Meeting Cadence**

Further discussion around meeting cadence (continued from the March 6 Captain's meeting)

Executive will give 4 pre-set dates in September 2025 to ensure all Captains are aware of the dates

We will publish closer to the meeting where it will take place

#### **Scheduling / 2025-2026 season**

Dwayne - we will 100% ensure we play all Teams at least once next season

If we happened to stretch to 24 teams this would require us to move to A and B tiers

The plan for 2025/2026 season is for Captian's to pay for all players upfront to cut back on the treasurer having to email and call players for money

#### **Round Table**

Discussion around St George venue, Ed to reach out to Karen

Season too long overall

Round Robin not really useful - would be better if we didn't use total points, rather simply win/loss

Wild Wing corner discussed again

Option for 1 day playoff at select large venue

Adam - doesn't believe it fair to the host bars to do that

50/50 Discussion for next season, Executive looking to bring it back but must have payment up front in season

Substitute conversation, possibility of floating options.

Floating players to pay less fees, possible option (maybe with less fees for them)

Executive to review substitute options for next season

Trevor M - format changes to win/losses, including leg count (similar to Brampton format)

Large discussion on this, multiple Captain's had opinions

Executive to discuss and review the Brampton league format for next season

### **Bob Downie Award**

Only 3 nominations so far, Executive is looking for more nominations

Please send a simple paragraph about the person you are nominating
